Mr. Francis O. Wilcox
Executive Director
Commission on the Organization
of the Government for the
Conduct of Foreign Policy
2025 M Street, N. W.
Washington, D. C. 20506

Dear Fran,

My staff is in touch with Kent Crane and has provided a detailed unclassified study in response to your request on Soviet intelligence efforts abroad during the period of detente. The study deals with Soviet espionage and covert action activities which either directly or indirectly effect the United States. It makes a clear case that such Soviet efforts have increased, not declined in the era of detente.

Sincerely,

/s/ Bill
